ABOUT US

WE ARE CRAFTING YOUR UNIQUE BUSINESS CONSULTING IDEAS.

Prime Bullish is dedicated to Blue Chip information technology, oil and gas, green energy, hydropower, hospitality services, stock market shipping and logistics, biomedical research and also investing in business start-ups and acquisitions to generate treasures to finance investors.

Launched in 1868, the trust was the world's oldest collective investment fund. A lot has happened in the world over the last 150 years. And investment opportunities have changed, too. A glance at the companies that the trust invests in today shows how the financial landscape has transformed over the years. Alongside giants like BP and Unilever sit powerful newcomers like Amazon, Netflix and Facebook, and rising star companies in developing markets.
